

# Java's Necklaces

Be sure to ask your parents for help when working on this!

## What You Will Need:

- fun-shaped pasta (be sure to ask your parents before you use any pasta you might have at home)
- colorful straws
- yarn
- markers

## Directions:

*Step 1:*

Ask your parents to cut the straws into 1-inch pieces

*Step 2:*

Lay the pasta you want to piece on a piece of foil and start to color the pieces with different colored markers. Color one side of the pasta and then turn it and let it dry. Then color the other side.

*Step 3:*

Measure out a length of yarn which is large enough to fit over your head (it can be bigger though!) and have an adult cut it to proper size for you.

*Step 4:*

Now, string the straws and colored pasta pieces onto the yarn together. Tie the ends of the yarn together once you have all the pasta and straw pieces that you want onto it and wear it around!
